

Into the night (Santana / Chad Kroeger)

[intro] (2 phrases)

Like a gift from the heavens, It was easy to tell
It was love from above that could save me from hell
She had fire in her soul, It was easy to see
How the devil himself could be pulled out of me
There were drums in the air as she started to dance
Every soul in the room keeping time with their hands and we sang

Hé, ohé ohé ohé, And the voices rang like the angels sang, singing
Hé, ohé ohé ohé, And we danced on into the night
Danced on into the night
Danced on into the night

Like a piece to the puzzle that falls into place
You could tell how we felt from the look on our faces
We was spinning in circles with the moon in our eyes
No room left to move in between you and I
We forgot where we were and we lost track of time
And we sang to the wind as we danced through the night, and we singing

ohé ohé ohé, And the voices rang like the angels sang, singing
Hé, ohé ohé ohé, And we danced on into the night
Danced on into the night
Danced on into the night
